

Pribilof Islands Ecosystem Stakeholder Process Organizing Committee
May 7 , 2003, 9 am teleconference
Agenda and meeting summary

Agenda:

1. Follow-up on task's from last week re: logistics for Seattle meeting
2. Follow-up on task's from last week re: plans for St. Paul meeting

Meeting Summary:

Present: Debbie, Randy, Evie, Joe, Greg, Meg King

1. Regarding Pribilof fishermen's participation in Seattle meeting:
 - Evie reported she spoke with Simeon who explained the City of St. Paul does not want to participate in the Seattle meeting. According to Simeon the city council thinks CBSFA should be sufficient to represent St. Paul's interests. Evie will check with Phillip Lestenkof to see if he is planning to attend.
 - Greg reported the St. George fishermen's association will meet later this week, and that Larry Philimonof may not be fishing this year and may be able to attend the Seattle meeting.
 - Debbie suggested that Jason Bourdukofsky may want to attend the Seattle meeting representing TDX. Debbie will suggest it to Jason
2. Regarding plans for St. Paul meeting
 - Greg noted that St. George residents' participation in Pribilofs meeting would be limited by flight schedules if its held on St. Paul.
 - Greg will suggest that at least one person from the city go to the meeting in St. Paul if we hold one there.
 - Debbie, Randy and Evie agreed to try to meet on St. Paul the week of June 9.
