May 14, 2003, 9 am teleconference

Agenda and meeting summary

Agenda:

1. Updates re: Seattle meeting
2. Working session: Stakeholder Identification. Please review the stakeholder ID section Nov. meeting summary

Meeting Summary:

Present: Debbie, Larry, Randy, Evie, Joe, Greg, Meg King

1. Evie reported Ron Clarke has all the invitation and background materials for the Seattle meeting, and is sending it to the MCA distribution list.
2. Stakeholder identification:
 - Meg provided a brief overview of how other groups have approached stakeholder identification, and suggested we focus on defining the characteristics needed to participate as a stakeholder, and on narrowing down the list brainstormed by stakeholders at the November 2002 meeting. Meg also suggested we focus on groups or entities, and let each group select their representative.
