1. Discuss final logistics for the Seattle meeting.
 - Larry volunteered to chair the meeting
 - Larry received a message from Jim Balsinger (NOAA fisheries) asking if staff should attend Seattle meeting. Larry replied they are welcome and suggested it would be a good idea. Larry will follow up and determine if they will send someone to the meeting and if so, who.
 - Evie & Larry reported that Joe is spreading the word that Tony is available for an informal dinner meeting on the 28th.
 - Evie is compiling a one-page summary of info. on northern fur seal status and Evie and Meg are compiling a short info sheet on collaborative processes – both to be handed out at the meeting. Evie will bring agendas, spare notebooks from the Nov. meeting and other info to the meeting.
2. Discuss logistics of St. Paul meeting:
 - All present agreed Debbie should be part of this discussion. Evie will arrange a meeting with Debbie, Randy and Margaret later in the week.
 - Evie, Margaret and Randy will travel to St. Paul 6/9-6/12 and will hold a meeting to provide an update on the collaborative process and an opportunity for people to ask questions.
3. Announcements, other updates:
 - Margaret announced that Gary Striker at CNN contacted her; he is interested in doing a story on the Bering Sea. He will travel to St. George 5/27-5/29.
